

Jammu Municipal Corporation

Town Hall, Jammu

Sub:- JMC has launched new Dynamic Citizen Centric Website and Mobile application

Jammu Municipal Corporation has launched its New Dynamic Citizen Centric Website and Mobile Application inaugurated by Dr. Pawan Kotwal, IAS, Divisional Commissioner, Jammu under Digital India Programme of Govt. of India in presence of Ms. Mandeep Kaur, IAS, Commissioner, Jammu Municipal Corporation alongwith other Officers of Jammu Municipal Corporation. It is Jammu Municipal Corporation's e-governance initiative towards transparent and efficient governance. The Citizens can download the mobile application from Google Play store and can forward their grievances to the concerned quarter by using this mobile application. Some are key features of website and mobile application:-

The general public can register their grievances online through the website/Mobile App. The GPS/GIS based location tracking system will track the location of the complainant and will send him the details of the concerned official alongwith his contact no. for follow up. A push message will also be sent to the next hierarchical level official till the grievance is redressed.

The applicant can file RTI applications online and he will also be replied online through his registered email address. The requisite fee for RTI application shall also be paid by him online through the e-payment mode. There is also provision for online 1st appeal of the registered RTI if he is not satisfied with the reply of PIO.

The payment in respect of all the services shall be received through the e-payment mode via bank payment gateway. This e-payment facility will also be applicable through the mobile App. Citizens can pay their sanitation charges, building permission fee, rent etc. online through various modes viz. credit/debit card, net banking etc.

Citizens can apply for Trade/Rehri licence, NOC etc. through this website. The requisite payments in this case shall also be received both through the website as well as through the mobile App.

The GIS based location mapping system will facilitate the early identification of the encroachments/un-disposed garbage etc. and the same after getting removed/cleared can be viewed by the senior functionaries from their respective

locations. This technology will also help the Engineers in identification of the work sites linked through the Google Maps & Google earth.

“Mobile Application” : Through this mobile application citizens can register their grievances online and can attach the photographs of the grievance. The administration at Town Hall can view this grievance through the Google map by using GPS/GIS based location mapping technique. Citizens can also pay their rents, user charges, RTI fee etc. through bank payment gateway online”

The Commissioner, JMC requested to all the general public that they should take benefit of these initiatives as these meant for minimizing the sufferings of the general masses and JMC will also continue to put more efforts for providing better services to the general public at their door steps.

Jammu Municipal Corporation

Town Hall, Jammu

Ms. Mandeep Kaur, IAS, Commissioner, Jammu Municipal Corporation took review meeting of all the sections of JMC.

Ms. Mandeep Kaur, IAS, Commissioner, Jammu Municipal Corporation took detailed review meeting regarding functioning of all the section of JMC. JMC SEALES THE PREMISES IN GANDHI NAGAR AND DISMENTAL THE MOBILE TOWERS

On the instruction of Ms. Mandeep Kaur IAS, Commissioner Jammu Municipal Corporation and under the supervision of Sh. R.S Jamwal KAS Joint Commissioner (Adm), the Enforcement Staff led by the Enforcement Officer Jammu Municipal Corporation sealed the premises of Sh. Mahesh Kumar Raina S/o Sh. Bal Krishan Raina at 722-A, Gandhi Nagar, Jammu for erecting the unauthorized construction work without the permission of Jammu Municipal Corporation and by fixing the iron rolling shutter to put structure for commercial use against the land use of the area from residential to commercial one. The action has been taken under section 8 (1) of J&K Control of Building Operation Act, 1988.

Besides this, the Enforcement Staff had also dismantled and removed the mobile towers at Trikuta Nagar Extension and at Rajiv Nagar, Jammu which were erected without permission and requisite genuine documents required for the erection of the Mobile Towers within the jurisdiction of Jammu Municipal Corporation. The materials used in the erection of Mobile Towers were seized from the sites after their removal and were impounded in the Municipal Corporation Yard. The residents of the localities hailed the decisions and appreciated the actions taken by Jammu Municipal Corporation in the aforesaid violations.

The operation has been conducted with the help and co-operation of police force from Gandhi Nagar Police Station and also from District Police Lines Jammu.

The Jammu Municipal Corporation once again appeals to General Public to refrain from making encroachments and unauthorized constructions otherwise action as admissible under rule leading to demolition / sealing will be taken.
