PRESS RELEASE

Pursuant to the directions given by Hon'ble Chief Minister, J&K, Jammu Municipal Corporation and under able guidance of Commissioner, JMC Ms. Mandeep Kaur, IAS and under supervision of Ms. Subah Mehta, KAS, Asstt. Commissioner (Revenue), JMC has created street vending zones in different areas to decongest the city markets, Chowks, bus stands and other places where traffic congestion is a routine feature.

According to the number of Rehri in different areas like Bikram Chowk, Panjtirthi, Parade, Bus stand, B C Road, Janipur and many other places where traffic jams are every day's menace, creation of these Street vending Zones will not only ease traffic but will also help in facilitating business by these street vendors who every day suffer from dislocation and harassment by enforcement agencies. These zones will give them a fixed place to do their business. It will also take care of sanitation issues of the places where these Rehri used to be parked earlier as JMC will collect all organic waste from these zones for composting.

41 such locations have been identified so far across different wards of JMC and gradual shifting of Street vendors has started in 4 Rehri Zones in cooperation with District and Traffic police.

Jammu Municipal Corporation appeals to all the Rehri owners to carry out their business in Rehri Zones identified by Jammu Municipal Corporation to earn their livelihood in dignified way and no one will be allowed to harass them if they do their business in a prescribed manner and if any Rehri found plying/stationed outside Rehri zones stern action shall be taken against the defaulters which will also include confiscating their rehri at their own risk and cost.

JMC strikes on illegal reharies operating outside Rehri Zones.

During field visit by Ms. Mandeep Kaur, IAS, Municipal Commissioner and Sh. R.S. Jamwal, KAS, Joint Commissioner(A), the Enforcement wing of JMC led by Chief Enforcement Officer and Enforcement Officer conducted an exclusive anti encroachment drive at Akhnoor Road, Jammu.

During the drive the team seized the sizable no. of Rehri which were found stationary by encroaching upon road side and causing inconvenience to the pedestrians and hurdles in the smooth flow of vehicular traffic and all illegal Reharies plying / standing on road side at Akhnoor Road and surrounding area were seized and destroyed thereafter.

It is pertinent to mention that the Jammu Municipal Corporation has created the Rehri zones also for the Rehri Pullers including one near ITI College at Akhnoor Road, Jammu, but it was found that some of the Rehri pullers have abandoned the Rehri zone and were selling the articles on the road side. Besides, this the team also demolished 03 nos. of structures which have come up upon Govt. land in the said area by pressing the man and machinery into service and also removed other vendors who were selling their articles by encroaching upon road sides.

The Jammu Municipal Corporation appeals to the Rehri pullers to confine to the Rehri zone created for the Rehri and not to ply and keep the Rehri stationary on road side which besides inconvenience is also a source of obstruction and many times leads to traffic accidents.
