

## **JMC SEALED ANOTHER PERMISES IN GANDHI NAGAR**

On the directions of Sh. Ramesh Kumar (IAS) Commissioner, Jammu Municipal Corporation Jammu and under the supervision of Sh. Rajesh Sharma (KAS) Joint Commissioner (Administration), the Enforcement staff while acting tough and taking action vigorously against the violations, sealed the premises of Sh. Anil Chouhan S/o Sh. Romesh Chouhan at 84 B/B Gandhi Nagar, Jammu who started the work to put the building for commercial use in violation of the land use of the area from residential to commercial one. The sealing has been done under the provisions of section 8 (1) of J&K Control of Building Operation Act, 1988.

Besides this, the team also conducted a drive against the use of polythene carry bags and inspected the various shops and other outlets in the different parts of city. During the inspection the team seized the polythene carry bags which were below 50 Microns and also charged Rs. 10600.00 as compounded fee from the defaulters on spot. The team also requested the people to use the bags made of bio-degradable material to carry their goods / articles.

The Jammu Municipal Corporation appeals to the General Public to refrain from making encroachments and unauthorized constructions / Conversion in violation of land use otherwise strict action as admissible under rule leading to demolition / sealing will be taken.

## **JMC Starts Composting in ward no. 13 Resham Ghar Jammu**

Under the guidelines of Swachh Bharat Mission and on the instructions of Sh. Ramesh Kumar, (IAS) Commissioner, Jammu Municipal Corporation. Dr. Anita Salgotra, Health Officer JMC with the live demonstration & Technical advice from State Pollution Control Board Jammu started segregation and composting at source in ward no. 13 Resham Ghar Jammu in the presence of Sh. Munish Sharma Vice Chairman JAKFED.

Mrs. Anuradha Gupta, Scientist from State Pollution Control Board and expert from Lucknow gave live demonstration and technical assistance for proper segregation and composting. Large number of public also participated in the live demonstration.

The Health officer apprised that earlier dustbins of two different colours were distributed (green bin for biodegradable wet waste and blue bin for non-biodegradable dry waste). The segregation is compulsory under guidelines of SBM so it is responsibility of every citizen to segregate waste at source. This will also reduce quantity of garbage being lifted and dumped by the Corporations at dumping sites. This will help to make Jammu clean & green.

Now the composting is started in ward no. 13, the residents are requested to segregate the waste and dispose off the same in different dustbins which shall be collected by the Safaikaramcharies of JMC from door to door.

The welfare Committee and residents assured that they shall extend their full cooperation to the Jammu Municipal Corporation for the success of Swachh Bharat Mission, a big initiative taken by Hon'ble Prime Minister of India.

## **Commissioner, JMC reviews the preparedness of Swachh Survekshan-2018.**

Sh. Ramesh Kumar (IAS), Commissioner, Jammu Municipal Corporation took a review of the progress of Swachhata and preparedness for Swachh Suverakshan-2018 during which he issued instructions to the concerned Officers for taking steps for installation of composting machines in bulk generator establishments like Hotels, Banquet Halls and Fruit/Vegetable markets which would help in minimizing the accumulation of waste and further added that compost so generated be used as manure in the Municipal parks.

He directed the Health Officer to utilize the men and machinery of the Corporation for maintaining sanitation and cleanliness within the limits of Jammu Municipal Corporation. He stressed for door to door collection of waste and segregation of waste be ensured in all the wards of JMC and also impressed upon the concerned for ensuring better scientific cleaning and its disposal including transportation after proper segregation. He also directed the Health Officer to maintain proper attendance of sanitation staff so that there can be no laxity in providing proper sanitation to the inhabitants of the City.

He further stressed up all the Officers to take sanitation of the City as a challenge and come with a road map so that same is deliberated and action is taken on the actionable points.

He also appealed the general public to extend their helping hand to Jammu Municipal Corporation in maintaining the proper sanitation and also to achieve the goal of Swachh Bharat Mission so that Jammu City can become a Smart City in the real sense.

Among others Sh. Rajesh Sharma (KAS), Joint Commissioner (A), Sh. Neeraj Gupta (KAS), Chief Accounts Officer, Ms. Sunaina Sharma (KAS), Secretary, Ms. Vinakshi Koul (KAS), Asstt. Commissioner (Rev.), Sh. Kushal Chand, Joint Commissioner (Works), Sh. Gulam Rasool, Executive Engineer (Central), Sh. Sanjay Kumar Bhagat, Executive Engineer (Elect), Dr. Anita Salgotra, Health Officer, Sh. R.K. Tutoo, Divisional Town

Planner, Sh. Rajesh Gupta, Chief Enforcement Officer, Sh. Kamni Kesar, Enforcement Officer, Sh. Tariq Raina, AEE (Transport), Sh. Amitabh Manhas, AEE (Mech.) etc.

## **Swachh Survekashan-2018**

Mr. Ramesh Kumar (IAS), Commissioner, Jammu Municipal Corporation stated that Swachh Survekashan-2018 is going on, during which Jammu Municipal Corporation shall focus on improving sanitation scenario within the Jammu City. He added that the concerned Officers/Officials have been impressed upon to take concrete steps for maintaining proper sanitation by deploying adequate men and machinery. He stated that the Ministry of Urban Development, Govt. of India has launched Swachhata App which can be downloaded by the residents of the City for giving their feedback relating to the sanitation of their respective areas. He further informed that Swachh Survekashan 2018 is going on and the feedback of the public through Swachhata App will help the JMC to improve the sanitation of different areas falling within its jurisdiction and on spot redressal of their grievances.

He appealed the general public to segregate the waste at source into separate bins as wet and dry waste. The wet waste can be converted into compost after proper segregation and the dry waste can be recycled. He further appealed not to throw the construction material on the road sides as well as in Nallahs which is a cause of choking of different nallahs of the City.

He further added that for the success of Swachh Survekashan-2018, the involvement of citizens is very much required, as without the co-operation of general public the aim of Swachh Bharat Mission could not be achieved.
